

# GEMs Formatting Checklist

*This is the checklist used to ensure each GEM table includes all necessary information, as outlined in the table instructions. If any of the items below are missing from a draft, the work will be sent back to the author for revision.*

## **Uploaded Files:**

- PDF of reference
- Word document of Critical Appraisal Worksheet
- Word document of GEMs Summary Table

## **GEMs Summary Table:**

- Catchy title unique from the reference title
- Author name, credentials, affiliated institution, city, and state
- Table template was utilized
- Each section of the table is complete
- No obvious plagiarism exists (this will instigate a plagiarism investigation)
