

# Institutional Membership

*The FPIN Learning Network is now accessible to ALL programs - no matter the size or budget*

We know programs are facing challenges — so we're adapting. With new offerings and a flexible approach, FPIN conducts in-depth needs assessments and designs custom, affordable packages that work.

## Here's what's new:

- Custom pricing for all institutional membership packages, products, and services plus expanded scholarships and discounts
- Expanded publishing opportunities for all experience levels
- The **NEW QI Coach+** product to complete high-quality QI projects with dissemination pathways

# Menu of Offerings

**No two programs are alike—your FPIN membership shouldn't be either.**

*We've left behind one-size-fits-all pricing. Instead, every new member starts with a quick needs assessment, so we can tailor a quote that fits your goals, time, and budget.*

**Choose from options like:**

- Writing project access—GEMs, HelpDesk Answers, Clinical Inquiries, Diving for PURLs, PURLs, Features, Teaching Inquiries, QI, and Case Reports. We'll help match the right projects to your faculty's experience and availability.
- QI Coach+ Toolkit
- PURLs Journal Club Toolkit
- FPIN Institute online modules
- Onsite writing workshops
- Consulting (virtual or in-person)
- Local Editor training

**Need just a few tools or full support? We'll build a plan that works for you**

Get Started: **Schedule your needs assessment** at [www.fpin.org](http://www.fpin.org), call **573-256-2066** (Tues–Thurs, 10–4 CT) or email [membership@fpin.org](mailto:membership@fpin.org)

**FPIN is offering \$30,000 in Scholarships for the 2025-2026 Academic Year!**

**Full and partial scholarships offered for all institutional membership offerings**

**Scholarship Criteria:**

- Demonstrated financial need
- Commitment to building a sustainable, long-term clinical scholarship program
- Willingness to participate in focus groups and surveys to assess FPIN's impact
